From the President

SOS has come and gone, and a good time was had by all. Everywhere I went FASA was well represented. All were dancing, eating, and having fun. The parade was its usual good time, as it always is. On Sunday we came home and poured beer in the park for the Embers. This was fun and FASA made some money for the club. We ended up with about \$680.00. Again, we had a good time and hopefully we will be able to do it again. A big thanks to all who worked the beer tents.

The reverse raffle is over, and I am proud to say that Orion Olive had the winning ticket, and her husband Steve accepted the money for her. This was the best raffle FASA had ever had. I do not know the exact figures, but it looks like we made over \$14,000 and cleared over \$11,000. There are many people to thank for making this a success. Dwayne Baggett for his usual good work, Angela and Chris Jestes for door prizes and running the computer, Sheila Monsour, and all her helpers with the food. A big thanks goes out to Jimmy Monsour for selling the most tickets. Jimmy sold 80 tickets, and beat out Steve Miller who came in a close second with 63 tickets sold. There are lots of others who worked hard, sold tickets, gave prizes, and made this a success. Your hard work will keep FASA going strong for the rest of this year, and give next year's president and board something to work with. So please pat yourselves on the back for your good work.

Our next meeting will be June 12, and the Hall of Fame party is on June 23. See you there and KFFP ON DANCING.

Congratulations AC and Kathy Williams 2007 Grand Nationals runners-up

Can you make the numbers a little bigger?

Keeping track of the "numbers"

Thank You! Thank You! Thank You!

I want to thank each and every one of you members that either bought or sold your Reverse Raffle tickets. This raffle just goes to prove what we can do when you set your mind to it. We have sold more tickets with fewer members this year and I think that is just GREAT!!! Some of our members went above and beyond the call of duty and sold a lot of tickets. I will give you a breakdown in a later article. Thanks again for all your help we now have some money we can put in savings and save it for a rainy day.
